Orders shipped to countries outside the United States may be subject to import taxes, customs tariffs, and fees levied by the destination country or the shipping company. These charges are the customer's responsibility and will be billed by the delivery company. PosiShop has no control over these charges and is unable to estimate them.

Tariffs and taxes are neither collected nor included in your price calculation at the time of your order; for an estimate of these fees, which vary by region, contact the customs office in your area.

PosiShop is the exclusive online purchasing source for high reliability connector products from
