Comments:

Products listed in this quote may be subject to one or more promotions currently offered by Agilent, which are described below ("Promotion"). To benefit from the Promotion discount, Agilent must receive your order before expiration of the Promotion and prior to expiration of this quote. All products listed in this quote that are subject to the Promotion ("Promotion Products") must be ordered on the same purchase order. Partial order cancellations may affect Promotion eligibility. The Promotion discount may not be combined with any other discount, offer, promotion or program unless expressly permitted by the Promotion terms. Limited quantities of Promotion Products may be available. To the extent permissible under local laws, Promotion terms are subject to change without notice.

Promotion: Americas' Full Service Promotion, 1.057
Expiration Date: November 15, 2009

The pricing of this quotation is based on DDP Incoterm. Pricing includes shipment within the United States only.

DDP - Duty Delivered Paid

- * Delivery, transfer of risk of loss and damage take place at a named location in the country of end use.
- * This is the default Incoterm for domestic shipments.
- * Agilent is responsible for all export licensing and reporting.
- * Agilent is responsible for all expenses for delivery to the customer.
- * This term is only available for countries in which Agilent has a legal subsidiary.
- * All shipments under this term must be made to destinations within the country in which the order was placed.

End user's address must appear on the purchase order for sales support reasons.

Customs and Export classification are Agilent Technologies' opinion of the proper US classification today. Import and Export classifications are subject to change. Your organization is the responsible party for determining the correct classifications of any items at the time of re-export. For assistance regarding US re-export requirements, please contact U.S. Department of Commerce at (202) 482-4811.

Taxes: Prices exclude any sales, value added or similar tax. If the items are exempt from sales tax, please ensure that a valid Tax Exemption Certificate, referencing Agilent Technologies as the vendor, is forwarded to your Agilent Technologies Order Processing Coordinator.

Please be aware that some options are mandatory. This may cause the quote to differ slightly from the RFQ.

Unless otherwise agreed in writing by Agilent, to the extent permissible by law Agilent's obligation to provide productivity and start-up assistance (that may include consulting and training services) will expire six (6) months from the invoice date. All consulting and training services quoted are

subject to the then current version of the Consulting Services Terms and Conditions (Exhibit TM04) and/or other applicable Agilent terms referenced herein. A copy of the relevant Consulting Services Terms and Conditions (Exhibit TM04) is either attached or has been previously provided to you. Please contact us if you have not received a copy or require an additional copy. If you have a previously signed agreement with Agilent covering such consulting and training services, the terms of that agreement will take precedence for those services. Agilent expressly objects to any different or additional terms in your purchase/sales order documentation, unless agreed to in writing by Agilent.

Delivery Terms are based on our current availability schedule and are subject to change without notice. During quotation validity some of the products quoted might become obsolete. In such a situation Seller shall use its best efforts to provide equivalent replacement products at similar prices but shall not be held responsible in case there is no replacement available or if the price on the replacement unit is higher.

Prices quoted include prepaid Agilent standard transportation. Invoicing on partial shipments will be considered acceptable unless otherwise noted on your purchase order.

General Electric Capital Corporation (GECC) is pleased to provide financing of Electronic Measurements Group products and services to qualified applicants. GECC offers a wide variety of rental, operating, and full ownership options. To obtain more information, please contact GECC at (866) 230-4600 and press "1" to speak with your GE Regional Sales Manager.

Agilent encourages customers to make payments electronically. For credit card payment, Agilent accepts Visa, MasterCard, American Express, Diner's Club and Discover. If your company is not able to purchase with a credit card, please take advantage of using Automated Clearing House (ACH), which provides more cost effective processing to you than check payment. Please email us at ePay@agilent.com for banking details to set up the ACH payment facility.

Please Submit Purchase Order to: Agilent Technologies Inc., P.O. Box 4026, Englewood, CO 80155-4026 Fax: 1-800-829-4433, e-mail: usa_orders@agilent.com

The sale of standard Products and Services referenced in this quotation is subject to the then current version of Agilent's Terms of Sale and other applicable terms referenced herein. If any Products or Services are manufactured, configured or adapted to meet Customer's requirements, the sale of all Products and Services referenced in this quotation is subject to the then current version of Agilent's Terms of Sale for Custom Products and other applicable terms referenced herein. A copy of Agilent's Terms of Sale or Agilent's Terms of Sale for Custom Products is either attached or has been previously provided to you. Please contact us if you have not received a copy or require an additional copy. If you have a separate agreement in effect with Agilent covering the sale of Products and Services referenced in this quotation, the terms of that agreement will apply to those Products and Services. Agilent expressly objects to any different or additional terms in your purchase/sales order documentation, unless agreed to in writing by Agilent. Product and Service availability dates are estimated at the time of the quotation. Actual delivery dates or delivery windows will be specified at the time Agilent acknowledges and accepts your purchase order. The above conditions shall apply to the fullest extent permitted by the law. You may have other statutory or legal rights available. Commodities, technology or software exported from the United States of America ("U.S.") or from other exporting countries will be subject to the U.S. Export Administration Regulations and all exporting countries' export laws and regulations. Diversion contrary to U.S. law and the applicable export laws and regulations is prohibited. Warranty: Unless otherwise indicated herein, Products referenced in this quotation will receive a 90 day replacement warranty.
