Comments:

All prices listed are in US dollars.

Positronic connector products that meet the RoHS directive (EU 2002/95/EC), will be supplied with a part number modifier to specify the part is compliant. Contact technical sales for further information.

Prices of gold plated parts are protected to a gold cost of \$700.00 per troy ounce. Should the cost of gold exceed \$700.00, there may be a surcharge at the time of shipment. Gold cost is defined as the cost of fabricated gold salts on the day of shipment as quoted by Englehard.

Terms and Conditions:

- Any purchase order resulting from this quotation is accepted as non-cancelable, non-returnable unless authorized in writing by a Positronic representative.
- This proposal will remain firm for 30 days. Total order must be a minimum of \$150.00.
- Unit price is valid when the actual quantity listed is placed on a firm PO and shipped complete within one year.
- Delivery is based upon our best estimate of factory scheduling at time proposed and may be subject to change at time order is placed.
- The above items are quoted to Positronic part number or customer drawing as listed. Price and delivery does not include any terms, conditions, or quality clauses not stated within this quotation. Terms and conditions received after order placement will not be considered binding to the contract.

WARRANTY INFORMATION

Orders are shipped as transactions between merchants under the provisions of the Missouri Uniform Commercial Code with the modifications set out below:

- 1 There are no warranties as to the goods which extend beyond the description of the face thereof.
- 2 The warranty of merchantability applies only in the case of goods manufactured by us to the requirements of a specifically identified military or industry specification and is limited to a warranty of conformance to the performance requirements thereof.

The provisions of this paragraph may only be modified by writing specifically stating the modification.
- 3 There is no warranty of fitness of the goods for a particular purpose.
- 4 The exclusive remedies of buyer of any subsequent user of the goods (in case of nonconformance or defectiveness of the goods) are limited to:
 - (1) Return of the goods at buyer's expense and repayment of the price.
 - (2) Repair or replacement of the goods

Buyer is under a duty to inspect the goods promptly after delivery and report immediately any claimed defect or nonconformity. Such report must be made prior to inclusion of the goods as a part of any other product or to their resale by buyer.

IN NO EVENT IS SELLER LIABLE OR OTHERWISE RESPONSIBLE FOR CONSEQUENTIAL DAMAGES SUFFERED OR CLAIMED BY BUYER OR ANY SUBSEQUENT USER OF THE GOODS. THE EXCLUSIVE AND SOLE REMEDIES OF BUYER AND ANY SUBSEQUENT USER ARE THOSE SET FORTH IN THIS PARAGRAPH.
