Terms and Conditions

Thank you for booking with FCm.

Travel Insurance is always recommended.

Check-in for flights opens 3 hours prior to departure and we suggest checking-in no later than 2 hours prior to departure. FAA rule is that no passengers will be allowed to go to the departure gates without a paper boarding pass. Passengers holding electronic tickets will have to check-in at the ticket counter prior to departure. Passengers not holding a boarding pass will be denied access through security.

Tickets may be non-refundable and changes may be restricted.

Seat assignments requested at the time of booking are not guaranteed by either the airline or FCm Travel Solutions.

Frequent Flyer numbers should always be presented to the airline at check-in to ensure they are received.

All travelers require a passport to re-enter the United States. A passport is required for all international destinations. Passport and visa requirements are the responsibility of the passenger and many countries require 6 months validity on your passport for entry.

We recommend you reconfirm all your outbound and inbound flights at least 3 days prior to each journey.

Per airline rules, tickets need to be changed and rebooked as the entire value of the ticket can be forfeited.

Fares are not guaranteed until they are paid in full.
