Engineering Change Order (ECO)

ECO #: ECO-52374-001

Effective Date: July 24, 2017

Title: Pro4 Right Angle Mini Displayport to VGA cable

Author: Cesar Hernandez
 Engineering Approval: aeg
 Operations Approval: aeg

Date: July 24, 2017
 Date: August 1, 2017
 Date: August 1, 2017

Summary:

Right angle mini displayport to VGA cable will temporary replace left angle mini displayport to VGA on all pro4 ICBs.

Parts Affected:

Part Number	Notes	Removed	Added	Modified
52374	Right Angled Mini DisplayPort male to VGA male cable	☐	☒	☐

Detail:

The manufacturer recently discontinued left angle mini displayport to VGA cables that were being used in Pro4 ICBs with external monitors. As a temporary solution, right angle mini displayport to VGA cables will be shipping with every pro4 ICB that includes an external monitor. Videoray is currently working with manufacturer to provide a left angle mini displayport to VGA cable as a long-term solution.
