Title:	MSS DEFENDER POWER MODULE MOUNT PLATE		

1.0 Purpose / Summary

The purpose of this ECO is to capture the removal of one ballast weight mount hole.

2.0 Parts Affected

Part Number	Notes	Removed	Added	Modified	REV
70780	MSS DEFENDER POWER MODULE MOUNT PLATE	☐	☐	☒	A

3.0 Detail

When the bolt for the ballast weight is put into the second hole to the right, it contacts the connector on the other side of the plate. This is messing up the connector. So, we are removing the hole so that doesn't happen.

4.0 Disposition of Material

Use on hand material as is. Then move to new plate without the hole.
