Engineering Change Order (ECO)

ECO #: ECO-CP-EXP-001

Effective Date: October 1, 2015

Title: Explorer/Voyager Panel Part Number

Author: Katie Bentley
 Engineering Approval: AEG
 Operations Approval: JV

Date: October 1, 2015
 Date: October 1, 2015
 Date: September 28, 2015

Summary:

The part number for the Voyager ICB Panel (50282) has been made inactive. CP-EXP will be the part number used for the Explorer and Voyager Panel.

Parts Affected:

Part Number	Notes	Removed	Added	Modified
50282	Voyager ICB Panel	☒	☐	☐
CP-EXP	Voyager/Explorer Panel	☐	☐	☒

Detail:

The same ICB panel is being used for the Voyager and Explorer systems. Therefore, a separate part number is not needed for the Voyager Panel. Part number 50282 for the Voyager Panel has been deactivated, and CP-EXP will be renamed to reference the Voyager and Explorer Panel.

Action Item:

Action	Department	Acknowledgement Initials
Deactivate 50282, and rename CP-EXP part number in Epicor	Engineering	KB

Modified / Referenced Documents:

Document	Current Revision
No modified documents
