Engineering Change Order (ECO)

ECO #: JHC-ASSM-002

Effective Date: October 31, 2016

Title: Revised Tolerances on Hand Controller Drawings

Author: KB

Date: October 31, 2016

Engineering Approval: aeg

Date: November 1, 2016

Operations Approval: JJV

Date: November 2, 2016

Summary:

The Industrial Hand Controller drawings needed more clear dimensioning and revised tolerances to correct a fitment issue between the side plates and bottom plate of the hand controller.

Parts Affected:

Part Number	Notes	Removed	Added	New	Modified
JHC-002	Hand Controller Part Bottom Plate	☐	☐	☐	☒
JHC-003	Hand Controller – Left Side Plate	☐	☐	☐	☒
JHC-004	Hand Controller – Right Side Plate	☐	☐	☐	☒

Detail:

The Industrial Hand Controller drawings needed more clear dimensioning and revised tolerances to correct a fitment issue between the side plates and bottom plate of the hand controller.

Action Item:

Action	Department	Acknowledgement Initials
Update drawings in PDM	Engineering	KB
Update part revisions in Epicor	Engineering	KB
Supply vendor with updated drawings	Purchasing	NS

Modified / Referenced Documents:

Document	Current Revision
JHC-002	C
JHC-003	B
JHC-004	C
