REMARKS

This Purchase Order is for the order of long-lead time materials for a 4100m length of EOM Cable per JDR quote C20012386-01_RV_USA (attached). As outlined as Option 2 in the quote, on May 20, 2005, MBARI will either give a final go ahead for the cable build or cancel the order. If a go-ahead is given, a second PO for the balance of the cable cost will be provided by MBARI and JDR will deliver the cable by July 22, 2005. In case of cancellation, JDR has agreed to return all funds paid by MBARI related to this PO less a \$12,800 re-stocking fee. Final design details regarding the fish-bite termination procedure and local jacket modifications to accept a floatation clamp are to be determined by JDR in consultation with MBARI before the May 20, 2005 notification date. Please Note: The Sales/Use Tax line on this PO is for internal MBARI use and should not be invoiced by JDR.
