

Financial Progress through June 26, 2012

The graph below shows the projects spend profile through June 26, 2012. The red line shows the original spending plan (from the original proposal), the green line shows the linear spend rate from the project inception to an end date that reflects a six month extension in the period of performance. The blue line shows the actual spend rate.

The system was deployed June 26, 2012. Pictures of the installed system are shown here and data from the deployment as it progresses will be posted on the web shortly.
