Order Code : AP111AV,1A,2T,5B,6I,9B

Order Codes

Super TJE, Gage pressure

Range

10 PSI

Temperature Compensation

60 to 160 deg. F. (15 to 70 deg.C) Temperature Compensation

Internal Amplifiers

Vehicle Voltage Amplifier (0 to 10 vdc) with 15 to 28 vdc supply and frequency response of 3,000 Hz

Pressure Ports

1/4-18 npt male Pressure port

Electrical Termination

Submersible cable, 10 ft (3 meter) Long

Special Calibration

20 point final calibration

Quantity :

1
