

Outline

- Electrical system (Alana)
 - Electrical system requirements
 - Pin puller actuators
 - Node controllers
 - Cabling
- Software system (Brian K)
 - Software design requirements
 - RS485 bus protocol
 - Test plan
- Mechanical system
 - Mechanical system requirements (Farley)
 - Gulper samplers (Larry)
 - Gulper mounting rack (Farley)
 - Pin puller housing (Farley/Larry)
 - ??
- Interfaces
- Integration and test plan (Alana)
- Resources for completion (Alana)
 - Budget
 - Labor
