Total: \$ 10,602.00

Estimated Casting Lead Time: 10 weeks from receipt of order, End Use Statement, usable patterns, current drawings, procedure approvals and acceptance of specification requirements by both buyer and Wah Chang.

Note: Dimensional tolerance limits of castings and machine stock allowance will be as stated in OMC 105, Para. 4. Wah Chang will not accept rejection of any casting dimensions if they fall within the OMC 105 process tolerances.

Shipping Note: Ownership of FOB Collect orders transfers to the buyer upon pick up by the shipping carrier. Shipments will not be insured unless requested in the Purchase Order. Without insurance Buyer will be responsible for filing the claim with the shipping carrier and for full payment of the Wah Chang invoice if the carrier loses the shipment.

Note: Order entry cannot be completed or parts shipped until the End Use Statement is received.

This quotation is based on Class 1 patterns supplied by the customer. All casting dimensions will be a product of the pattern supplied. No dimensional inspection of pattern or castings is included. Customer supplied patterns may require mounting or repair prior to use for rammed graphite mold production. If so, Wah Chang will provide a quotation and lead time for this work upon receipt of the patterns.

Final as cast weight discrepancies greater than 5% of customer supplied weights may require cost adjustment.

Order Cancellation Note: If an order is cancelled after the order is entered cancellation charges may apply. If an order is cancelled after castings are poured the cancellation charge will be the full value of the quoted casting cost.
