Re: Recommendation Letter for Luis Garcia

Dear Mr. Matsumoto

It is my pleasure to recommend Luis Garcia, his performance working as a student assistant for California State University Monterey Bay proved that he would be a valuable addition to MBARI.

During the year that I worked with Luis, he consistently demonstrated good analytical and communication skills. Luis multitasks effectively and is able to balance schoolwork and workload assignments. Organized and diligent, Luis quickly learned technology systems and software that were unfamiliar to him when he first started working for Information Technology at CSUMB.

Luis is a hardworking student assistant and I highly recommend him for your MBARI internship position. If you have any questions please don't hesitate to contact me.

Sincerely,
