Dear Mr. Matsumoto:

I have known Luis Garcia for over a decade, both professionally and personally.

Professionally, Luis is hardworking, diligent, and trustworthy. He will do his best to complete all tasks given, in an efficient and timely manner. He is one of the hardest working people that I know. He is upbeat and optimistic, and is someone that you can count on to get the job done. He works well with minimal supervision, both individually or in groups, and is a fast learner.

As a student assistant at CSUMB Luis worked with me at the walk-in help desk, which was designed to assist students with their computer needs. Luis was extremely helpful with the various aspects of diagnosis and repair. His attention to detail, and his ability to diagnose and repair computers proved valuable.

Personally, Luis is a great person to have as a friend. He is loyal, trustworthy, and kind. He is always willing to pitch in and lend a hand.

It has been my great pleasure to be associated with Luis. I am honored to write this letter in support of him. I know that Luis will be an asset to your organization. If I can be of further support to Luis, please do not hesitate to contact me.

Sincerely,
