4. Password confirmation

We hate spam as much as you do. But we think you'll find it convenient to let us send you the occasional email. For example, if we've updated an ebook that you've bought, or if we're about to mail out a paper book you bought a while back and we want to verify the shipping address, we'd like to be able to contact you. We will never sell or rent your email address.

5. ☒ Send me emails about my order, and when there are updates to the things I've bought
 6. ☒ Send me the occasional e-mail about new titles and special offers
