## Frequently Asked Questions

**Q: I just placed an order and did not receive an email with my order details?**

**A<sup>1</sup>:** The confirmation email may have landed in your junk or spam folder.

**A<sup>2</sup>:** Verify the email address on this page.

If it is incorrect, [Click Here](#) to update your email address.

**Q: I just received my tracking number but the carrier says the number is not valid?**

**A:** Your tracking information is sent to you once the shipping label is printed. The tracking information doesn't become live until it is scanned by the carrier at the sort facility. Typically, these numbers become live around 8PM the same day.
