

The map displays the study area with a grid overlay. The movement of ARGOS 1 is shown as a blue line, and ARGOS 2 as a green line. The Recover point is marked with a red dot, and the Drop point is marked with a red dot. The ARGOS 1 path starts near the Recover point, moves south, then west, then south again, and finally east. The ARGOS 2 path starts near the Recover point, moves south, then west, then south again, and finally east. The Recover point is located in the upper right quadrant, and the Drop point is located in the lower right quadrant.
