Thank you for choosing Backscatter. Your satisfaction is our goal! Due to the nature of underwater equipment, merchandise may only be returned for credit or exchange within 10 days of purchase if the equipment has not been immersed in water and is in mint condition, with original packaging, warranty cards, and original invoice. Special order items will be charged 15% restocking fee. If you're not thrilled with us or your purchase please let us know. As fellow underwater shooters, we'll do our best to meet your needs and help you obtain your imaging goals!
