Quote Comments:

Lead times are based on current availability of parts/component parts at time of quote and may vary depending on Order date. Lead time is also estimation from time of Order, and reflects approximate ship date. If you have lead time concerns, and will not place an immediate order, please double check availability at time of order.

****If you are going to place a Government Rated order please notify us immediately. Terms and conditions as well as lead time may be affected by further requirements on PO.**

NOTE: Nook requires a \$100 minimum order
