

Accessing a Sonardyne FTP Site:

FTP site address: <ftp://files.sonardyne.com>

Procedure:

Enter the address (<ftp://files.sonardyne.com>) in internet explorer; this will present the logon window:

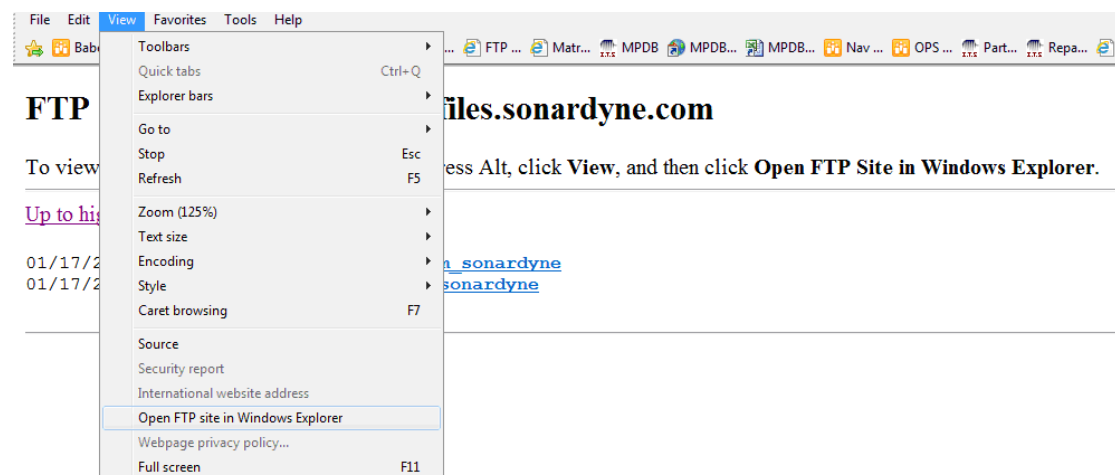

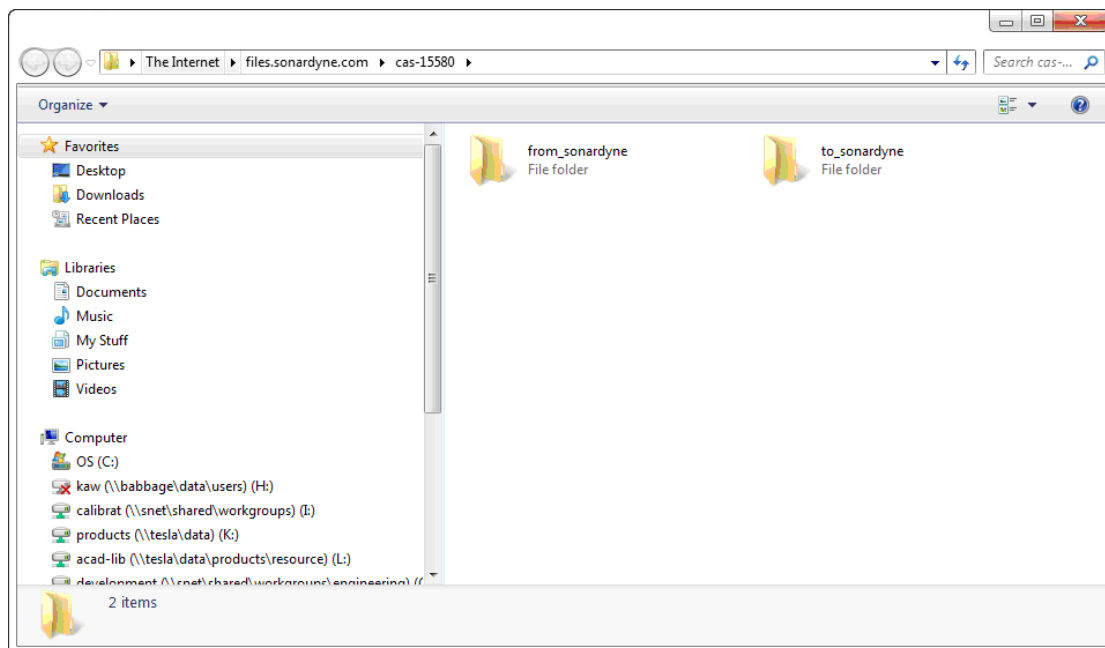

Enter the username and password supplied by Sonardyne.

Note: Username and password are case sensitive.

You will be presented with links to the from_sonardyne and to_sonardyne folder.

Select *View* followed by *Open FTP site in Windows Explorer*:

You can now copy files from the from_sonardyne folder and copy files to the to_sonardyne folder.
