against any employee or applicant for employment because of race, color, sex, or national origin. MBARI will comply with the provisions of Executive Order 11246 of 9/24/65, and relevant rules and regulations as required by law. Please be advised that all contractors and subcontractors having 50 or more employees and a federal government contract or subcontract of \$50,000 or more must develop a written affirmative action plan under the federal guidelines.

Export Compliance The vendor (or supplier) agrees that it will provide the export control classification associated with the commodity being purchased, to the extent that this item is controlled either under the Export Administration Regulations (EAR) or the International Traffic in Arms Regulations (ITAR). For EAR-controlled items, the correct Export Control Classification Number (ECCN) classification based on the Commerce Control List will be provided. For ITAR items, the correct U.S. Munitions List (USML) category will be provided. In both cases, to the extent that the item includes technical data such as operational manuals, such data must also be classified. In the event that the vendor (or supplier) is unable to comply with this instruction, it will notify MBARI within ten days of purchase order, indicating the reason for non-compliance and recommended solution.
