International Shipments

Customers with shipping addresses outside of the USA are responsible for all duties, import taxes, and brokerage fees. These costs are not included in the price of shipping/handling of your order. Customs, duties, and taxes vary widely from country to country and can be as high as 80% of the total value of your order; please check with your local customs agency for details regarding exact costs.

US domestic and international shipping costs, customs, duty, and taxes are non-refundable. If a shipment is refused by a customer, the cost of the original shipping, any brokerage fees/customs/duty/taxes, and return shipping charges will not be refunded.

Product Returns

All discounted purchases are final.

Valid product returns must be accompanied by an RMA number, which can be requested from the Customer Support team at <http://gopro.com/support>. All product parts must be included in the return. Customer is responsible for any shipping fees associated with warranty returns. Valid warranty returns are handled free of charge, except for shipping costs.

Warranty returns are limited to each product's individual warranty as defined on the product's packaging, instructions and/or on <http://gopro.com/support/articles/warranty-information>. Attempted returns, which are not covered by warranty, will incur a US\$5.00 processing fee and will be returned to the customer, freight collect, at the customer's expense.

Please visit the following page for the most current warranty or product return instructions and return address information: <http://gopro.com/support>.

Please Note

If your order is broken up into multiple shipments, shipping and tax will be reflected on each order, but will only be charged once.
