

A hand-drawn graph on a grid. The vertical axis is labeled with values 20, 40, 60, 80, 100, 120, 140, 160, 180, 200, 250, 300, and 350. The horizontal axis is labeled with values 100, 200, 300, 400, 500, 600, 700, 800, 900, 1000, 1100, 1200, 1300, 1400, and 1500. A curve is drawn starting at the point (100, 20) and rising steeply to the point (1500, 350). The curve is concave down, indicating a decreasing rate of growth. There are some faint, illegible markings on the grid, possibly representing data points or other curves.
