Alana,

If you prefer to purchase with a credit card, we do have a 3% processing fee or we can set you up with terms. I recommend setting up terms if the customer will consistently purchase from you. We do need a purchase order, do you have access to providing this? I have attached some documents to help make the process easier for you.

Please let me know if you need anything else.

Thanks,

Mitzi Saucedo

Hello Mitzi,

Thank you for the quotation. Is the easiest way to purchase this joystick with a credit card over the phone? Or is there a way to buy online?

Thanks
