Subtotal: \$ 1,000.00					

Product Terms

Firmware Upgrade Service

Liquid Robotics will upgrade the firmware in a Command & Control Unit (CCU) or payload by opening and resealing the box and ensuring it passes both an electrical and pressure test so the box is ready for deployment. The customer can either send their hardware back to Liquid Robotics or make arrangements for a Liquid Robotics technician to make an on-site upgrade. Price does not include travel expenses.

Purchase Order Instructions:

- Purchase Order must refer to Quote #
- Purchase Order must match Quote
- Purchase Order must indicate preferred shipping method
- Quote does not include shipping, Iridium Satellite charges, or any applicable taxes
- Please email Purchase Order to Orders@liquid-robotics.com

Liquid Robotics, Inc. ("LR") Terms and Conditions of Sale will apply to all Customer orders unless expressly agreed to in writing by LR. In the event that LR modifies its Terms and Conditions of Sale, the revision in effect at the time of order placement will apply. LR Terms and Conditions can be reviewed at <http://liquid-robotics.com/resources/legal.html>. Please be advised that any changes, additions, or deletions to the LR Terms and Conditions of Sale will require LR contract review, and LR shall not be liable for any related delay. In the event any purchase order, sales confirmation or other purchasing form or document are used in connection with an order under this quote, then the terms of such form or documents are governed by this quote and the LR Terms and Conditions, and any terms which are inconsistent with, different from or in addition to the provisions of the LR Terms and Conditions shall be null and void and shall have no force and effect whatsoever unless otherwise expressly contemplated herein.

Note: We require a certificate of completion for all services.
