Terms And Conditions - Page 2 of 2

Definitions:The 'CUSTOMER' is defined as the credit card holder and/or the person who originally placed the order with any payment method including purchase order and/or any end user of any product or service offered by Photonic Endeavours Inc. ('LASERGLOW') or any of its subsidiaries or affiliates.

By purchasing or using the products or services offered by LASERGLOW, CUSTOMER indicates that they are at least 18 years of age and understand that they are fully responsible for the safe application and use of these products and/or services and agree to such by completing the sales process and/or using the products or services offered by LASERGLOW or any of its subsidiaries or affiliates.

Pricing: All pricing is listed in USD.

All sales are final with the exception of non engraved portable battery-powered lasers. These lasers can be returned within seven (7) days of receiving the product for a full refund, minus the shipping costs and a 20% restocking fee. The seven (7) days are calculated according to tracking information and effective from the time that the product arrives at the CUSTOMER'S location to the time that the item is scanned by the courier to be sent back to LASERGLOW. If item has been tampered with in any way, or if there are any components, paperwork, or accessories missing or damaged, LASERGLOW may not issue a refund, and the item will be sent back to the CUSTOMER at his/her expense. Furthermore, LASERGLOW reserves the right to hold any returned product for inspection and/or testing for up to four (4) weeks, as/if deemed necessary by LASERGLOW, before making a decision as to whether or not the item qualifies for a refund.

Non-refundable fees: The following fees are not refundable under any circumstances: Shipping, shipping insurance, alignment services, duties (whether prepaid or paid on arrival), import taxes, and/or brokerage fees. Once these services are rendered the fees are payable to Laserglow even if the order is later cancelled for any reason.

Best Value Guarantee: LASERGLOW is committed to offering CUSTOMERS the Best Value on the laser products that we offer. Each laser undergoes extensive testing and quality control during the manufacturing process. Thorough quality assurance testing is conducted pre-shipment in our lab to confirm compliance with our published specifications as well as with the appropriate FDA-CDRH/IEC regulations. If you find an identical item offered at a lower price, we will match the price of the identical product as well as include other savings to offset your feedback. For the Best Value Guarantee engagement, please provide a copy of the competitive quote (or URL of the product page) including specifications of beam characteristics, control features, testing affirmations, delivery period and shipping point.

Methods of Payment:

Credit Card: LASERGLOW accepts payment by all major credit cards for purchases of up to USD 10,000.00. Please note that some restrictions may apply due to security reasons. Credit Card payments can only be accepted in USD.

Purchase Orders:

LASERGLOW accepts Purchase Orders from established public and private organizations. All Purchase Orders must be on official CUSTOMER organizational letterhead, CUSTOMER may fax Purchase Orders to 1 (480) 247-4864 or send them by email to sales@laserglow.com.

Late Invoice Payments:

Please note that orders with credit terms must be paid within the term listed above. Outstanding balances beyond terms will result in interest being charged at a rate of 2% compounded monthly, or, if lower, the maximum amount permitted by local law.

Shipping: Some items are in-stock and others are built per-order. All credit card purchases are charged at the time the order is placed. LASERGLOW will make every effort to ship the product as soon as possible. If an item is not in stock, lead time is usually 4-6 weeks, however some items require a longer lead time. For a precise ETA please contact us. The website may not reflect actual stock levels

Insurance and Declaration:

Because of the high dollar value of LASERGLOW products, all products shipped are insured by LASERGLOW and declared at full value, as required by law.

Customs and Import Taxes:

If items purchased are to be shipped outside of Canada, the Government of the destination country may impose taxes and/or duties on the import. CUSTOMER is to check local regulations and tax rates before ordering. These are not included in the freight cost quoted by our website. In the event that Customs brokerage, taxes, or other import fees are applied to the shipment, they are the responsibility of the CUSTOMER.

Free Domicile - U.S. Only

"Free Domicile" is a widely used pricing term to describe when the shipper pays all the applicable duties and all the transportation and other charges until delivered to the consignee. The term is also referred as "DDP - Delivered Duty Paid".

USA customers only, have the option of prepaying the duties and taxes by selecting Free Domicile on their orders over \$200 USD. This ensures that the order will arrive without the need of any additional fees and/or paperwork.

Limited Product Warranty:

LASERGLOW warrants to the original purchaser that products will be free from defects in materials and workmanship for a period of six (6) months for portable battery-powered lasers and industrial products and a period of one (1) year for scientific laboratory laser modules from the date of product receipt. If a defect in workmanship or materials is found in a product that has been properly used and maintained as per instructions included with the product, and such product has been returned to LASERGLOW within such warranty period, the product will be repaired or exchanged by LASERGLOW and returned to the shipping address indicated on the original purchase, at no additional cost.

This warranty is void and LASERGLOW is not responsible for any costs of repair or replacement of any products which have been subjected to misuse, abuse, improper application, improper installation, accident, disassembly or modification of any kind, or for any product which has been repaired or altered by any party other than LASERGLOW.

Warranty Repairs:

All products are rigorously tested before shipping to CUSTOMERS. If an item is defective on arrival or fails during the warranty period, CUSTOMER must contact LASERGLOW immediately, either by telephone or through email in order to receive an RMA (Return Material Authorization) form. Any products that are shipped back without an RMA # will be refused by the returns department at LASERGLOW and returned to sender at CUSTOMER'S expense.

Upon receipt of the item by LASERGLOW, if the item is deemed defective by LASERGLOW technicians, LASERGLOW will repair or replace the item at no charge to the

CUSTOMER. CUSTOMER is responsible for the costs of shipping the defective product back to LASERGLOW. LASERGLOW will cover shipping costs of returning the repaired product back to the CUSTOMER via trackable courier service.

Limitation of Liability:

LASERGLOW or any of its subsidiaries or affiliates will not be liable for any errors, defects or omissions in the design of any product sold hereunder, irrespective of whether such errors, defects, or omissions in design result from acts of omissions of LASERGLOW or CUSTOMER or of some other third party.

LASERGLOW or any of its subsidiaries or affiliates will not be liable for any loss, damage, cost or expense, including without limitation any incidental or consequential damages of any kind, including those arising from personal injury, property damage or lost profits, whether based upon breach of warranty or contract, negligence or strict product or other tort liability, arising directly or indirectly in connection with the design, manufacture, sale, issue or repair of the products (either separately or in combination with any other product or material) or from any other cause, other than for the cost of replacement of the product as provided in the limited product warranty above. In no event will LASERGLOW be liable to CUSTOMER for more than the purchase price of the product.

To the extent that any sales person has made any oral statements to the CUSTOMER about the product, such statements are not warranties, should not be relied on by the CUSTOMER, and are not part of the contract of sale. The limited product warranty above is the only warranty provided to the CUSTOMER.

LASERGLOW makes no guarantees either expressed or implied as to the suitability of its products for any purpose or application. All products will be provided as per the specifications listed for each product at www.laserglow.com. If a product is received outside of specification it will be treated as defective and will be repaired or replaced under the limited product warranty specified below.
