Dear Chad,

Thank you for your business! Your order details are provided below; please print or save this for your records. You will receive a separate e-mail with tracking details when your order has shipped.

Root Logistics is a Tampa-based Value Added Reseller (VAR) specializing in performance packaging design & manufacturing thru our [Cases2Go](#) division, and advanced corrosion control applications thru our [Ecorr Systems](#) division. Leveraging our in-house design and integration capabilities, the packaging experts at Root Logistics have supported countless commercial, DoD and Federal programs. We look forward to serving your packaging requirements with that same level of expertise and support!

Sincerely,
Cases2Go Sales Team
