Quotation Terms & Conditions:

The quoted price is valid for 60 days and does not include shipping charges, duties or taxes. Shipment Terms are FOB Factory. Lead time is as noted above, but will be confirmed once the order is received. A blanket purchase order would allow for ship dates to be scheduled as requested. Product is manufactured in the USA according to ISO 9001:2008 standards. Payment Terms are Net 30 days with approved credit.

Recycling Partnership:

Electrochem has partnered with Veolia North America to offer a battery recycling program to help you recycle your batteries. This partnership will provide nationwide cost-effective solutions for large and small quantities of batteries, unbeatable customer service, on-time pickups, and the industry-leading environmental liability and protection.

Have recycling needs outside of North America? As part of The Veolia Group, a world leader in optimized resource management present on five continents, Veolia North America has access to the resources necessary to manage your recycling needs across the world.
