**SUBJECT TO GLENAIR, INC. GENERAL TERMS AND CONDITIONS OF SALE**

**No minimums for most product lines. Samples usually available upon request. Currency USD**

Glenair prices do not reflect any special quality control requirements other than our standard C of C. Extra QC requirements must be quoted separately. Glenair does not possess regulatory agency (FAA) approvals, related licenses or foreign equivalent status. For partial quantities or expedited delivery please consult factory. All stock items are subject to prior sale.

Composite Interconnect Systems: Glenair can now offer you an interconnect system made exclusively from composite thermoplastic materials. Building on our experience with composite backshells, we now offer composite connectors. EMI/RFI junction boxes, thru-box and bulkhead fittings, protective covers, composite AmberStrand braided shielding and more. All our composite interconnect products are designed to reduce weight and fight corrosion. Visit [www.glenair.com](http://www.glenair.com) for complete information.
