This Quote is subject to the Terms of Sale below

These Terms of Sale, and any terms in other documents specifically incorporated herein by reference (collectively, the "Terms of Sale"), are the entire and exclusive agreement between Canon U.S.A., Inc. ("Canon") and the end-user business customer listed on the accompanying Canon Direct Business Sales Quote (the "Direct Business") concerning the sale of products and accessories listed in the Canon Direct Business Sales Quote (the "Products"). All prior and/or contemporaneous negotiations and agreements, oral or written, concerning the Products (including, without limitation, the terms in any Direct Business Purchase Order) are superseded by these Terms of Sale. No course of prior dealing between the parties, usage of trade, or acquiescence in any course of performance by the parties will be relevant to supplement or explain any term used in these Terms of Sale.

Notwithstanding anything to the contrary in these Terms of Sale, Canon reserves the right, at any time, and without notice, to change all prices, Product specifications, and Terms of Sale, and/or to cancel any backorder.

Canon Direct Business Sales Quote

A Canon Direct Business Sales Quote is valid only if issued by Canon, or an authorized agent of Canon, and will remain valid until the expiration of the Canon Direct Business Sales Quote. By submitting a purchase order based on a Canon Direct Business Sales Quote, the Direct Business is assenting to these Terms of Sale.

Order Terms

All Direct Business purchase orders for Products must include a copy of the relevant Canon Direct Business Sales Quote and are subject to acceptance by Canon. Canon reserves the right to cancel, or to refuse to accept, Direct Business purchase orders at any time and assumes no responsibility for loss, cost or damage resulting, directly or indirectly, from such cancellation or refusal, or from delays in order delivery.

Payment Terms

Payment terms for the Products are set forth on the relevant Canon Direct Business Sales Quote.

Taxes & Tax Exempt

Sales tax is charged on all orders, except for orders being shipped to Montana, New Hampshire, Delaware, Oregon and certain localities in Alaska. If the Direct Business qualifies for tax exempt purchasing, and has not previously provided its tax-exempt status to Canon, evidence of such tax-exempt status must be attached to its purchase order.

Electronic Waste Recycling Fee

California residents only: the fee for electronic waste recycling in connection with Direct Business's Product, if applicable, is already included in the Canon Direct Business Sales Quote.

**Product Installation**

Direct Business agrees that it is solely responsible for installing or uninstalling Products for any reason.

Shipping and Handling

Canon ships Products to street addresses within the 50 United States and the District of Columbia. Canon cannot ship orders to APO/FPO or P.O. Boxes, Guam, Puerto Rico, American Samoa or the Virgin Islands.

Title to the Products transfers to the consignee upon delivery to the carrier, and the Direct Business will bear the risk of loss for the Products after such delivery to the carrier.

For Broadcast TV Products:

Canon's freight terms for the Products are prepaid with freight charges added to the invoice. The standard method of shipment is ground. Expedited shipping options are available for additional cost.

For all other Products:

Canon's freight terms for the Products are prepaid for Standard Ground Shipping. Expedited shipping options are available for additional cost.

The method of shipment by Canon will be made by bill of lading, which does not declare any value.

All claims for damage to, or loss or theft of, the Products during shipment must be made by the Direct Business to the delivering carrier and Canon. Upon request from the Direct Business, Canon will reasonably cooperate with the Direct Business in presenting such claims to the carrier, provided that Canon is notified within three (3) working days after the Direct Business's receipt of shipment, subject to the proper claim exception having been noted on the delivery receipt.

Please inspect all packages as soon as the carrier delivers them. Any damage or pilferage not readily apparent at the time of delivery must be made known to the delivering carrier and the Direct Business must request that an inspection be made by the carrier as soon as possible, but not later than ten (10) days after receipt of shipment. Failure to give notice as required by the carrier may result in denial of Direct Business's claim. All shipments (packages) must be left intact until such inspection is made by the carrier.

Non-Delivery claims must be made by the Direct Business in writing within fifteen (15) days from date of invoice or they will not be considered by Canon.

Returns

Canon does not accept returns. All products include a manufacturers limited warranty.
