About Your SPOT Bill

Service Charges & Credits - You agree to pay, on time, any applicable activation, monthly service, service usage, cancellation, and disconnection fees, plus any applicable taxes, as provided in your Plan. SPOT will bill you prior to each service term in accordance with the terms of your Plan. This bill is due and payable upon receipt in U.S. Dollars. If your plan specifies monthly billing, then the monthly recurring charges are billed monthly in advance.

Taxes and Surcharges - Your Plan price for the Service does not include sales, usage, excise, ad valorem, property or any other taxes now or hereafter imposed, directly or indirectly, by any governmental authority or agency with respect to the Service. You are required to pay these taxes.

Late Payment, Delinquent Accounts

You agree to pay a late charge of the lesser of 1.5% per month or the maximum legal rate if your bill is not paid within ten (10) days after the due date. This late charge is applicable to the unpaid balance as of the due date and will be billed on subsequent invoices and statements. You agree to pay SPOT all of SPOT's collection costs, including without limitation the standard fees of any collection agency, reasonable attorney fees, and any other costs incurred by SPOT in exercising any of its rights under this Agreement. SPOT may suspend Service in the event of late payment. If it does so, SPOT may charge a reactivation fee (currently \$50.00) for each suspended SPOT™ Messenger.

You are hereby notified that a negative credit report reflecting on your credit record may be submitted to a credit reporting agency if you fail to fulfill your credit obligations.
