

QUICK ORDER FORM

Agilent Service Agreements

Please complete this Quick Order Form to be used as your purchase order. All fields are required in order to avoid delays in processing your order.

THIS FORM MAY BE COMPLETED ELECTRONICALLY – Please click in the cell to enter data. Once complete, please save the form then email or fax to Agilent using the contact information below.

This Quick Order Form confirms your commitment to purchase these services and your acceptance of Agilent's Terms and Conditions of Sale, Purchase Agreement, or other terms referenced in the quotation. You will accept all shipments and services from Agilent for the quoted items and will pay Agilent's invoice, based on this form alone, pursuant to the terms referenced. This form is a firm and legally binding commitment to purchase and any further documentation created or submitted is solely for administrative or informational purposes.

The quotation is valid only for the period indicated. All products and services quoted are subject to the then-current version of the Agilent Services and Support Terms and Conditions (E16S), and the then-current versions of any applicable LSCA Supplemental Terms exhibits. A copy of the relevant Agilent terms and conditions and supplemental terms are either attached or have previously been provided to you. Please contact us if you have not received a copy or require an additional copy. If you have previously signed an Agreement with Agilent covering such Products and Services, the terms of that Agreement will take precedence for those Products and Services. Agilent expressly objects to any different or additional terms in your purchase/sales order documentation, unless agreed to in writing by Agilent. Product and Service availability dates are estimated at the time of quotation. Actual delivery dates or delivery windows will be specified at the time Agilent acknowledges and accepts your purchase order. The above conditions shall apply to the fullest extent permitted by the law governing the transaction and shall not derogate from any statutory or any legal rights you may have there under. Commodities, technology, or software exported from the United States of America (U.S.), or, from other exporting countries will be subject to the U.S. Export Administration Regulations and all exporting countries. Diversion country to U.S. law and the applicable export laws and regulations is prohibited.
