Dear Christine Huffard:

Thank you for acknowledging the acceptance of your Paper **OTC-35813-MS**, "Optical Sediment Trap Reveals Mechanisms Influencing Deep-Ocean Carbon Sequestration" (Control # 25OTC-P-1365-OTC) for the Offshore Technology Conference to be held 5-8 May 2025 in Houston, Texas, USA.

An agreement to present a paper at this OTC conference carries an **OBLIGATION** to participate in the event. If you are unable to attend, you must notify OTC no later than 45 days prior to the conference start date.

The failure of conference authors to have at least one designated individual present the paper at the conference will result in the conference paper being permanently withdrawn from the OTC technical paper archive in OnePetro.

Instructions for preparing your manuscript and presentation are located in the Author Kit. Please read this information and be prepared to submit all requested forms on or before their stated due date. A separate email will be sent with further instructions and a link to the site where you will be asked to upload your prepared documents.

Author Kit: <http://www.otcnet.org/author-kit>

Author Checklist: http://www.otcnet.org/_media/Author-Kit-info/OTC-Accepted-Authors-Checklist.pdf

Your paper will be presented in the following session. Details regarding the date and time of your presentation will be communicated at a later date.

Your Paper Number: OTC-35813-MS

Session: 004 - Innovative Subsurface Approaches for the Success of Carbon Capture and Storage

You may direct any questions regarding the program to Bienor Melo, OTC Program Manager (contact information below).

We look forward to working with you and look forward to your participation at the upcoming Offshore Technology Conference!

Best Regards,

Jim Kaculi
Offshore Technology Conference Chairperson
