Hi Aaron,

The ECCN number is EAR99 and the Harmonized Tarriff Code is HS 90275000.

Let me know should you need additional information.

Thanks,
Carol

Subject: Nano export control classification numbers

Hello Carol and Shaun,

I hope you are well.

We are planning to take the Sintela Nano to Milos (Greece) and Oslo (Norway) for fieldwork this summer.

Could you please confirm whether the instrument is subject to export control regulations, and if so, provide the relevant export control classification numbers?

Thanks,

Aaron
