These items are controlled by the U.S. Government and authorized for export only to the country of ultimate destination for use by the ultimate consignee or end-user(s) herein identified. They may not be resold, transferred, or otherwise disposed of, to any other country or to any person other than the authorized ultimate consignee or end-user(s), either in their original form or after being incorporated into other items, without first obtaining approval from the U.S. government or as otherwise authorized by U.S. law and regulations. Furthermore, this cargo is scientific equipment being exported for temporary use abroad. The cargo will be reimported to the U.S. within less than one year, and will not be modified or advanced in value while abroad. **AES Exemption: NOEEI § 30.37(Q)** .
