Re: Temporary Export of Research Equipment as "Tools of the Trade" – EEI Filing Exemption
TMP, 15 CFR 740.9(a)(1)

To Whom it May Concern:

This is to certify that Monterey Bay Aquarium Research Institute (MBARI) employee Johann Voigtlander is hand carrying the following item as "tools of the trade" for use abroad and not for resale:

Item	ECCN	Schedule B	Value (USD)	Final Destination
Imaginex Delta T 837B Multibeam Sonar	6A991	9015.90.0100	\$10,000.00	Antarctica

The above item(s) will be exported on January 17, 2026, and return to the U.S. within one year on February 5, 2026.

For any questions regarding this export, please contact Matthew Schultz at (575) 494-0454.

Sincerely,

Name: Basilio Martinez
