#	PART NUMBER	DESCRIPTION	REV	QTY	UNIT PRICE	EXTENDED PRICE
1		GDF Assembly, Rev A		10	2,205.00	\$22,050.00
2		GDF Assembly, Rev A		40	1,685.00	\$67,400.00
3		GDF Assembly, Rev A		50	1,590.00	\$79,500.00
4		NRE: DURAFETCHGASKET		1	310.00	\$310.00
5		NRE: Work Instruction Development		1	2,000.00	\$2,000.00

Quote Clarifications:

Quoted lead-time is 12 weeks ARO (order acknowledgement). Material lead-time subject to Covid.

Consignment material:

- Quality of materials provided by MBARI is the responsibility of MBARI.
- Known material to be consigned initially is DURAFETCHIP6. Applied Engineering to source after initial consignment.

NRE Fees:

Non-recurring set-up to make DURAFETCHFACEGASKET = \$310

NRE charge of \$2000 for the purpose of work instruction development.

Quote Exceptions:

- DURAFETCHFACEGASKET quoted to tolerance +/- .005, +/- .012 on thickness.
- Measurement tracking labor not included in quoted. To be added after a better understanding of pass/fail activities are known.

Additional exceptions will be handled as they occur.

Terms of Payment to be negotiated prior to PO placement.
