#	PART NUMBER	DESCRIPTION	REV	QTY	UNIT PRICE	EXTENDED PRICE
1	100221682	GDF Assembly		20	1,300.00	\$26,000.00
2	100221682	GDF Assembly		40	1,250.00	\$50,000.00

Quote Clarifications: Quoted with the list of parts consigned at \$0 from MBARI. It has been requested that Applied Engineering inspect all consigned parts for compliance. Non-Conforming materials will be returned to MBARI for disposition as required. Helium Leakcheck: Applied Engineering would require guidance on first units from MBARI for process review.

Quoted leadtime is 8 weeks ARO. Leadtime is dependent on Consigned material receipt and available labor for scheduling assembly.

c. Customer supplied material - From BOM

Consigned material list.
