Our order No: 0003755164

Ketron® 1000 PEEK natural (POLYETHERETHER KETONE)

This product was produced from resin certified to MIL-P-46183,07-1999 Amendment 2, Type I) (Only Natural PEEK, not Black).

Product is made with resin that meets ASTM D8033 PEEK 0121.

Typical shape meets the requirements of ASTM D6262 S-PAEK 0111.

(The last digit of the ASTM callout indicates this product is made from 100% virgin PEEK resin).

We hereby certify that the goods described above comply with the terms of the order contract and conform to our Product Specifications. The Quality Management System of the Mitsubishi Chemical Advanced Materials Inc. plants in Reading, PA, Scranton, PA, Wytheville, VA, Delmont, PA, Ft. Wayne, IN and Stockton, CA are certified according to ISO 9001. The ISO Certificate is available upon request. It is the responsibility of the purchaser to pass on all regulatory and safety warnings associated with the received product.
