	- Any stenographic or clerical errors appearing in the typed section of a quote can be corrected at any time. - Country of Origin - USA - Quote based on receipt of customer available manufacturing models. If unavailable or not provided quote is subject to revision. - Unless noted in customer RFQ, this quote may include pricing based on Domestic and/or Foreign supplied materials. If awarded PO requires a directed material source that differs from this quote, then Rhinestahl AMG reserves the right to amend pricing - If material is supplied by the customer, Rhinestahl reserves the right to requote if material supplied is different than what was quoted. Examples include size, shape/geometric variances in castings, forgings, bar stock and 3D print parts. - If outside processes were quoted, Rhinestahl reserves the right to requote/negotiate pricing if those costs have increased at the time of purchase order placement. - The Standard Terms and Conditions of Sale published at http://www.rhinestahl.com/terms-conditions apply to any sale or proposal for sale by Rhinestahl Corporation.
