

Hand-drawn schematic diagram of a probe assembly. The diagram includes the following dimensions and labels:

- 18"**: Dimension for the upper section of the probe.
- 16"**: Dimension for the main body of the probe.
- 27"**: Dimension for the lower section of the probe.
- 4.5 lb/cu ft**: Density specification.
- 9"**: Dimension for the lower section of the probe.
- 23"**: Dimension for the lower section of the probe.
- 11"**: Dimension for the lower section of the probe.
- 35"**: Dimension for the lower section of the probe.
- 25 lb/cu ft**: Density specification.
- 15m**: Dimension for the lower section of the probe.
- rochester 7-H-375A**: Label for the probe tip.
