

Your browser should now be in Secured Mode (In Netscape you will see a solid key or closed lock in the lower left corner. In Internet Explorer you will see a closed lock in the lower right corner. Our server uses the SSL (Secure Sockets Layer) protocol for encryption. This means that credit card transactions are secure for browsers that support SSL. If your browser does not support SSL, you may still place your order online, or call us at 1-626-301-4200. [Click here to read more about our security.](#)

When ordering, a **warning message** may appear stating that your information is being directed to a new server. This is normal, as all information is sent to our commerce server for retrieval by a Comm Con Representative.

The information you provide here will only be used for the above stated purpose. We will not share this information with any outside party. [Click here to read more about our privacy policy.](#)

Our standard deliver method is UPS ground unless otherwise requested. [Click here to read more about our Ordering and Terms.](#)

[These products are intended for business purposes only. The customer acknowledges and agrees not to use the products ordered for any personal, family or other non business purpose. Sales tax will be included when required per the appropriate taxing authority.](#)

Part Number	Price	Order Quantity	Subtotal
1185CP-104G	\$7.987	5	\$39.94
7592-1X	\$8.422	2	\$16.84

Total: \$56.78
