**AMENDMENT TO COASTAL DEVELOPMENT PERMIT**

Date: August 15, 2012

Permit Number: E-05-007 and CC-076-05
issued to: Monterey Bay Aquarium Research Institute (MBARI)

for: the installation and operation of a submarine research fiber optic cable and associated scientific node extending from a shore station in Moss Landing to a formation known as the Smooth Ridge in Monterey Bay

has been amended to include the following change(s): to require periodic surveys of undersea cables every five years, rather than every 18 to 24 months as originally approved

This amendment will become effective upon return of a signed copy of this form to the Commission Area office. Please note that the original permit conditions are still in effect.

Sincerely,

Charles Lester
Executive Director
