Craig Dawe
MARS Operations/Technical Support Manager
Monterey Bay Aquarium Research Institute
7700 Sandholdt Rd.
Moss Landing, CA 95039

Dear Mr. Dawe:

The Applied Physics Laboratory is pleased to submit this Time and Materials quote for engineering services to be performed in support of the MARS cabled observatory system.

The cost for APL-UW to perform the enclosed Statement of Work is estimated to be \$36,910.

Please contact Tim McGinnis (tmcmcg@uw.edu) with questions related to the enclosed Statement of Work.

Should this quote be selected for funding, the resulting purchase order or similar agreement should be made out to the Applied Physics Laboratory and emailed to me for review and acceptance.

Thank you for the opportunity to work with you on this project.

Sincerely,

Digitally signed by Kathryn B Hovick, Sr. Grant
and Contract Administrator, Applied Physics
Laboratory, University of Washington

Service Contract Statement of Work

Project:	MBARI MARS2
Date:	October 14, 2020
Revision Number:	00
Customer:	ATTN: Craig Dawe MARS Operations/Technical Support Manager Monterey Bay Aquarium Research Institute 7700 Sandholdt Rd. Moss Landing, CA 95039 Office : 831 775 1910 Mobile: 831 596 3610 dacr@mbari.org
Project Director:	Tim McGinnis

1. **Statement of Work and Deliverables.**

- a. APL will work with MBARI on the update of the MARS Seafloor Junction Box electronics including: finalizing the requirements definition, producing and delivering a preliminary design, and conducting a preliminary design review.

2. **Total Estimated Cost:** \$36,910.00.

3. **Period of Performance:** 6 months after receipt of order.

4. **Time and Materials Estimate.** This is a Time and Materials estimate based on a review and assessment of the Statement of Work and Deliverables. Shipping costs are FOB Origin. This is not a firm fixed price estimate.

5. **Change Orders.** If the Customer wishes to change the Statement of Work and Deliverables, APL/UW shall prepare, and Customer shall sign a Change Order reflecting the changes to the Statement of Work, Deliverables and Total Estimated Cost.

6. **Representations and Warranties.** APL/UW will perform the Statement of Work in accordance with generally accepted professional standards of workmanship and effort at a quality comparable to research performed at major public and private research universities within the United States. Customer acknowledges and agrees that APL has not made and does not make any representation, guarantee or warranty, express or implied, regarding the results of this effort.
