Dear Frequency Coordinator:

COMSEARCH has completed an interference analysis for the system described in the attached documentation. Our analysis indicates that the proposed system meets industry accepted interference criteria with your system.

In accordance with FCC Rule Part 101.103(d), we are providing you with the technical parameters of the proposed system for your review. Please include the job number referenced above in your response. We will assume that you concur with our findings if we receive no objections to this proposal by September 19, 2010.

If you have any questions, or require additional information, please contact me at (571) 246-3097.

Sincerely,

COMSEARCH

Franco R. Benedict
