WARRANTY, LIABILITY AND TERMS: Bay Area Circuits guarantees your finished boards will be manufactured per your drawings, artwork and purchase order within the specifications of IPC 600 G. Bay Area Circuits, at Bay Area Circuits' option, will repair or replace defective boards at no charge or credit. Your requirements must be in writing and approved by Bay Area Circuits prior to manufacturing. Unacceptable boards must be returned to Bay Area Circuits within 30 days of delivery before replacements, repairs or credits can be authorized. In the event of unacceptable boards, Bay Area Circuits assumes liability for bare boards only. In no event shall Bay Area Circuits' liability exceed the original purchase order. This warranty is expressly in lieu of all other warranties, expressed or implied. BayArea Circuits neither assumes nor authorizes any other person to assume for it any other liability in connection with services rendered. A service charge of 1.5% monthly or 18% per annum, or the maximum allowed by law, will be charged on all balances over 30 days from date of invoice. You agree to pay all reasonable legal fees, collection costs and court fees should Bay Area Circuits be required to undertake collection efforts on this invoice.
