I would like to order:

Qty	Tag type / Item	Tag configuration (if known)	Maximum Desired Depth
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

Do you require a communications interface (aka Blue Box / Cable Comms)? Yes No
(Note: If you order 5 or more tags and if requested, you will receive 1 x communications interface gratis.)

PTT ids:

If you are purchasing satellite tags, including PAT tags, please request 1 x PTT id per satellite tag from Service Argos. In North America, you can reach Service Argos through www.argosinc.com. Outside of North America, you can reach Service Argos through www.cls.fr.

Each PTT id requested should be: 28-bit PTT id, configured with Type A1 processing, Multi-Sat, Auxiliary Location Processing (ALP), and 31 sensors at 8 bits each.

Note: If you are outside of North America, please request Location Service Plus (Animal Tracking) instead of Auxiliary Location Processing (ALP).

PTT ids should be received by Wildlife Computers no later than 10 x business days prior to the scheduled ship date. If the PTT ids arrive later than 10 x business days, your scheduled ship date will slide.
